Consultancy for Organizational Capacity Strengthening on Advocacy, Policy Engagement, and Safeguarding

Opening Date: 19th January 2026

Closing Date: 28th January 2026

ABOUT FPRJC!

FPRJC inspires and develops a generation of grassroots women to have a voice and ignite feminist leadership action for gender transformative change. We exist for the realization of a society free from all forms of gender-based discrimination, where every individual, regardless of their gender, age and identity can thrive and reach their full potential. Through advocacy and capacity building, we support communities to establish deep commitment to the promotion of human rights and the fight against inequalities and discrimination. We are the voice of the vulnerable and marginalized women, girls and other groups of different gender identities. We achieve this through our thematic areas on Women's health right and well-being, Women's Leadership & Governance and Climate Action and Livelihoods Development.

FPRJC engages in community advocacy, civic education, women leadership development, and survivor-centered support through partnerships with government, civil society, and community structures. As part of its strategic priorities, FPRJC seeks to strengthen internal organizational capacity in advocacy strategy, policy analysis, and safeguarding systems to enhance effective engagement with duty bearers and accountability mechanisms.

In particular, FPRJC aims to build staff and volunteer capacity to interpret and use key policy frameworks such as the **Children Act 2022** and **Ministry of Education Safety Standards Manual**. This framework will support in strengthening reporting, prevention, and accountability mechanisms to **reduce school-related sexual violence and protect girls across public and informal schools in Kibra Sub-County**, while contributing to improved

retention, attendance, and learning outcomes for girls, including the development of **policy briefs and advocacy messages**
