ABOUT FPRJC!

FPRJC inspires and develops a generation of grassroots women to have a voice and ignite feminist leadership action for gender transformative change. We exist for the realization of a society free from all forms of gender-based discrimination, where every individual, regardless of their gender, age and identity can thrive and reach their full potential. Through advocacy and capacity building, we support communities to establish deep commitment to the promotion of human rights and the fight against inequalities and discrimination. We are the voice of the vulnerable and marginalized women, girls and other groups of different gender identities. We achieve this through our thematic areas on Women's health right and well-being, Women's Leadership & Governance and Women Climate Action and Livelihoods Development.

OBJECTIVES

The Publications Consultant will:

1. Develop high-quality advocacy and communication materials aligned with the project
2. Translate complex policy and safeguarding concepts into accessible, user-friendly formats
